There are 19 WIA service areas in Georgia, and each workforce area has at least one comprehensive/full-service One-Stop Workforce Center where a wide range of workforce services are available to job seekers and employers. There are currently over 40 full-service Career Centers in Georgia. In addition to these full-service sites, many communities have additional locations where customers may access workforce services, sometimes called "satellites" or "service access points." Limited and/or specialized services are generally available in these locations. For more information, please contact a center directly, explain your interests and needs, and find out which location is best for you.
